“WATER ACT, 1914.”

BEFORE THE BOARD OF INVESTIGATION.

In the Matter of All Streams in the Municipalities of Point Grey, South Vancouver, and Burnaby, and in the Cities of Vancouver and New Westminster.

A MEETING of the Board of Investigation will be held at the Court-house, in the City of Vancouver, on the 9th day of December, 1914, at 10 o'clock in the forenoon.

All statements of claim to water privileges on these respective streams, all objections thereto, and the plans prepared for the use of the Board will then be open for inspection.

All persons interested are entitled to examine these, and to file objections thereto in writing if they deem fit.

At this meeting claimants who have not previously done so shall prove their title to lands to which their water records are appurtenant. This may be done by producing, in case of Crown-granted lands, the title deeds or a certificate of encumbrance or other evidence of title; or in case of lands not held under Crown grant, by producing the pre-emption record, the agreement of sale, the mining record, a certificate of search in the Dominion Land Office, or other documents of title.

Objections will be heard forthwith if the party objected to has received sufficient notice of the objection.

The Board at the said meeting will determine the quantity of water which may be used under each record, the further works which are necessary for such use, and will set dates for the filing of plans of such works and for the commencement and completion of such works.

And whereas there may be persons who, before the 12th day of March, 1909, were entitled to water rights on the said streams and yet have not filed statements of their claims with the Board of Investigation, such persons are required to file on or before the 1st day of December, 1914, a statement as required by section 294 of the “Water Act, 1914.” or section 28 of the “Water Act” as amended in 1913. Forms (No. 50 for irrigation, and No. 51 for other purposes) may be obtained from any Government Agent in the Province.

Dated at Victoria B.C., the 26th day of October, 1914.

In the case of such petition the City Clerk shall determine and certify to the Council the number of such owners and the value of such real property, and whether or not such petition is sufficiently signed by such a majority of owners representing such one-half in value at least."

11. To further amend section 133 of the principal Act as amended by adding after subsection (15b) thereof the following subsections:—

"(15c.) Whenever the Council is desirous of proceeding with any work or undertaking in the pursuance of which any real property may be entered upon, taken, or used by the City in the exercise of any of its powers, or may be injuriously affected by the exercise of its powers, the Council may file plans and specifications of the work or undertaking, or certified copies thereof, with the City Clerk, who shall, on receiving the same, issue a notice setting out the Council's intention to proceed with such work or undertaking, and to enter upon, take, or use the lands necessary therefor, and that such plans and specifications have been filed with him and may be inspected at his office, and that all claims for damages by reason of the said proposed work or undertaking must be filed with him within sixty days from the service of such notice, and that such owners, occupiers, or other persons must file with the said Clerk, within the said period of sixty days, their claims for damages for any of the causes aforesaid, showing the amount thereof, or that in default thereof any claim for such damages will be barred; and he shall cause such notice to be served upon the owners and occupiers or other persons interested in the real property so to be taken, entered upon, or used as aforesaid, or which may be injuriously affected as aforesaid:

"(15d.) In case the person served as aforesaid is at the time of such service resident without the Province, a further period of thirty days shall be allowed such person to file his claim:

"(15e.) Service of any notice under this Part of this Act, except in cases of expropriation of the land, shall be deemed to be made, and shall be effectual and binding upon all persons concerned or

liable to be affected thereby, upon the city complying with the following requirements: By posting by registered mail such notice to all persons who at the time of the filing of the said plans and descriptions are registered in the Land Registry Office of the district as the owners of the land or as mortgagees, or as persons having or claiming by registration under the provisions of any Statute any charge or encumbrance upon the same, addressed to such registered owners or encumbrancers at their usual or last-known place of abode; and in the case only of the registered owner or encumbrancer being dead, and no legal representative registered, or the persons registered being not *sui juris*, then by delivering such notice to the District Registrar of the said Land Registry Office for the district, who shall forthwith enter the said notice as a notice affecting the lands in question, and also by advertising five times such notice in some daily newspaper circulating in the municipality. Every such notice shall take effect as of the date of posting aforesaid, or of last advertisement as aforesaid:

"(15f.) Every claim under this Part of this Act shall be made pursuant to the said notice, and unless made, in the case of persons resident within the Province, within sixty days after the service of such notice, or in case of persons resident outside of the Province, within the said further period of thirty days, shall be barred and extinguished, unless upon application to a Judge of the Supreme Court, or to the Judge of the County Court of the county in which such city or town or other municipality is situate, and upon giving to the said Council at least seven days' notice of such application, such Judge allows the claims to be made and served. Either party may appeal from the decision of the Judge to the Court of Appeal, but every such claim shall be absolutely barred and extinguished unless made within a period of one year from the service of the said notice:

"(15g.) If any claim is so filed within the time aforesaid, the same, unless accepted by the Council, shall forthwith be determined by arbitration under this section:

"(15h.) If any real property is entered upon, taken, or used by the municipality or injuriously affected by the municipality in the exercise of any of its powers, and the Council does not give notice under section 362 hereof, the owner may nevertheless file a claim, and the said claim shall, unless accepted by the Council within ten days thereafter, forthwith be determined by arbitration under this section:

"(15i.) The person making a claim shall deliver full particulars of the damages for which such claim is made, and the arbitrator or arbitrators, upon the hearing of the claim, shall have the same power as to the amendment generally, or to amend such claim or particulars, or any proceeding had or taken upon the hearing thereof, as a Judge would have in an action; and the arbitrator or arbitrators may, in his or their discretion, refuse at any time to hear, upon any matter or question, further evidence of a cumulative character."

12. To amend subsection (1) of section 23 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," by inserting after the word "up," in the third line thereof, the words "widen, prolong."

To amend subsection (2) of section 23 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," by inserting after the word "up," in the second line thereof, the words "widening, prolonging."

To amend section 23 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," by adding at the end thereof the following subsection (4):—

"(4.) Notwithstanding anything in this Act contained, the Council, in the case of the opening-up, widening, prolonging, or extending of any street, lane, alley, or highway, may by by-law provide that the proportion of the cost of such work chargeable against the property benefited thereby shall be assessed and levied by special rate on such property according to the assessed value thereof: Provided, however, that this subsection shall not prejudice or affect the rights and powers of the Council under subsection (4) of the preceding section 22 hereof."

13. To amend the principal Act and amendments thereto so as to authorize and empower the city to issue and sell its debentures or stock in series of such length of time and nature as shall be deemed advisable, all of any one series being redeemable at the same time, with provision for redemption at any time during the period over which such series shall extend.

To amend the principal Act and the amendments thereto so as to provide, in respect to local improvement and debentures therefor, that stock, as provided by sections 124A to 124F, inclusive, of the principal Act, may be issued instead of debentures; that the city shall be liable for principal and interest to holders of such debentures or stock; that the city may pass collective or cumulative by-laws consolidating the different amounts required under different local improvement by-laws, or under different money by-laws, in a general consecutive issue or series of stock or debentures under such consolidated by-law; that the city make an estimate each year of the amount of money required to pay for the cost of local improvements during such year, and may by by-law authorize the issue and sale of debentures or stock for the purpose of raising such sum prior to completing or proceeding with the construction of such local improvements, and may also include in such by-law the amount of any debts authorized by any by-laws passed in the same year under the general borrowing powers and any debts of the city created by the Legislature, and may direct the issue in one series of the debentures or stock authorized to be issued by all or any of such by-laws with the debentures or stock to be issued for raising the amount estimated for local improvements as aforesaid, and may provide for a sinking fund, or make the debt payable by instalments of principal and interest as provided by the principal Act in regard to borrowing money, and may extend the time for payment of the debt in either of such methods for such length of time as the Council may deem necessary, notwithstanding that the frontage or property assessments in connection with such local improvements may be payable at one or more different periods, and may consolidate any such debts by one or more such by-laws, and for the purpose of making the dates of payment uniform may, without resubmitting any by-law, change the date of payment or maturity of the debentures or stock authorized to be issued by any by-law for the borrowing of money; and that, in case any such change in the payment period is made, a recomputation shall be made of the amount necessary for the annual levy of sinking fund or instalment of principal and interest, and that it shall not be necessary to submit to the electors any by-law of any nature above mentioned.

14. To repeal sections 233 to 235, inclusive, of the principal Act, as enacted by section 10 of the "Vancouver Incorporation Act, 1900, Amendment Act, 1907," and to enact in lieu thereof the following sections 233, 234, and 235:—

"(d.) That the members of the Board of Control shall hold office as follows:—

"At the first election the member who received the highest number of votes and the member who received the second highest number of votes shall continue in office for two years from the date of their election, and from that time onward until their successors shall have been elected; and the two members who receive respectively the third and fourth highest number of votes shall continue in office for one year from the date of their election, and from that time onward until their successors shall have been elected.

"In each year succeeding the said first election of such last-mentioned members there shall be elected as many members of said Board as shall be necessary to fill the places of the members whose terms of office then expire, so as to complete or continue the full complement of four members, and such members as are elected in each succeeding year shall hold office for two years from the date of their election, and from that time onward until their successors shall have been elected.

"In case of a tie at any such election the Returning Officer shall have a casting-vote.

"(3.) Candidates for the office of Controllers shall be nominated and elected at the same time and in the same manner as candidates for the office of Mayor and nominated and elected, and the provisions of this Act providing for the nomination and election of Mayor, including qualifications, disqualifications, controverted elections, election by acclamation, and filling of any vacancy that may occur in the said office, shall, except as otherwise provided herein, *mutatis mutandis*, apply to the nomination and election of Controllers.

"(4.) The Council may fix by by-law hereinbefore mentioned the salary to be paid to the members of the Board of Control.

"(5.) While sitting in Council each Alderman and each Controller shall have one vote, and the Mayor shall have a casting-vote.

"234. (1.) "(a.) To prepare an estimate of the proposed expenditure of the year and submit same to the Council for its consideration. The Council shall not appropriate or expend, nor shall any officer thereof expend or direct the expenditure of, any sum or sums not included or provided for by such estimates or by any special estimates duly certified by said Board without the affirmative vote of the majority of the members of the Council present and voting authorizing such appropriation or expenditure; but this provision shall not extend to the payment of any debenture or debts or liability lawfully contracted and payable or to the interest thereon:

"(b.) Subject to the approval of the Council, prepare specifications for and award all contracts, and for all purposes to call for all tenders for works, materials, and supplies, implements or machinery, or any other goods or property for the use of the city, and to report their action to the Council at its next regular meeting. "(e.) To suspend or recommend for dismissal any head of a department or sub-department, clerk, or employee, and to report such suspension to the Council. "(2.) The Council may by by-law or resolution impose upon or assign to the Board of Control such other duties as to the Council may seem meet.

"(3.) In all cases where it is sought to reverse, set aside, or vary the action of the Board of Control, or where a majority of the members of the Council present and voting is required for any purpose, the votes of yeas and nays shall be recorded in the minutes of the Council.

"(4.)
